

**20th International Workshop Complex Systems of Charged Particles
and Their Interactions with Electromagnetic Radiation
(CSCPIER-2024)**

Dear colleagues!

We invite you to participate in the **20th International Workshop Complex Systems of Charged Particles and Their Interactions with Electromagnetic Radiation (CSCPIER-2023)**, which will be held in **Prokhorov General Physics Institute of the Russian Academy of Sciences in Moscow on April 8–12, 2024**. Workshop will be held as a hybrid event (online and offline).

Conference Scope/Sessions:

1. Basic Aspects of Plasma Science
2. Complex Plasmas
3. Laser Plasmas
4. General Plasmas
5. Solid State Plasmas (**NEW!**)

Important dates:

January 22, 2024 – deadline of registration with a report;

February 1, 2024 – notification of accepted papers;

February 26, 2024 – deadline for abstracts submission;

March 11, 2024 – deadline of registration without a report.

Working languages: Russian and English.

Workshop's fees: Our workshop is free of charge for all participants.

Participation form: participation with a report
(online or offline);

participation without a report
(online or offline);

Registration form link and QR-code:

With a report

Without a report

Venue: Prokhorov General Physics Institute of the Russian Academy of Sciences, Vavilov street 38, Moscow, Russia
